## **SAVE 20% ON YOUR YMCA MEMBERSHIP**

The Clinton Family YMCA is celebrating its 50th year anniversary as of June 2, 2017 by offering a special ‘Better Together’ membership campaign through the remainder of 2017. It is a YMCA referral campaign whereas a YMCA member refers a potential member to join the local Y and both persons receive a 20% discount on their membership. Other options are for a potential member to find a YMCA member friend and ask for a referral or simply for a potential member to invite another potential member to join the Clinton YMCA with them.

The Clinton Family YMCA was chartered on June 2, 1967 and wants to provide membership discounts for this special 50 year anniversary with the citizens of the greater Clinton community.

The Clinton Family YMCA is better with friends. Whether that's for working out, or activities at the 'Y' like swimming, youth sports, or after school care. When you share the experience, it can be so much more rewarding.

That's why we're introducing the Better Together Program. It's simple: **You bring a friend to join the YMCA, and you both get a 20% savings on your monthly dues for twelve (12) months upon signing.**

Come to the Clinton YMCA Member Services Desk with your friend and have your friend complete the membership application.
